SERIES

Steps to Unveil your University's Potential in Accounting

PART
1

Accountancy Opportunities Initiative. Kevin Jackson of the Illinois Master of Accounting Science (MAS) program will explain the initiative, including how it can serve HBCU students and their accounting programs. He also will seek to engage with interested HBCU accounting programs to discuss how they might offer opportunities to their students through the initiative with Illinois, as well as through replication with other partner institutions.

Save-the-Date: Tuesday, June 26, 2018 (*Registration information will be emailed following the Summit.*)

FUTURE WEBINARS

PART
2

How to Ensure Your HBCU & Future Auditors are Ready for the Public Accounting Firms. This webinar will focus on preparing HBCU Career Services/Business Schools for recruitment. CAQ Governing Board firm recruiters also will participate to share what they are looking for in your students. We'll also share a FREE toolkit to guide your efforts!

PART
3

FREE RESOURCES! We will walk you through the many FREE teaching resources available from the profession. We also will look to the HBCU community to share what resources/help you need from the profession.

PART
4

Looking for Ways to Advance Your Accounting Program? Join Howard and the University of Illinois to knowledge share among friends and colleagues on what works for your accounting program. *"Knowledge is power. Information is liberating. Education is the premise of progress, in every society, in every family."* – Kofi Annan, former Secretary General of the United Nations

PART
5

The Importance of Accreditation to a Future CPA. Members of the AICPA will lead a discussion on maintaining your accreditation under the updated standards. They also will share advice on how to meeting the eligibility requirements and accreditation standards.

TELL US WHAT YOU NEED!

We would love to get your thoughts on what would be helpful for a future webinar.
Contact us at DiscoverAudit@thecaq.org with your thoughts!
